

Alternate directions to Rialto

Advance directions when Woodruff Park pass through is closed

Woodruff Park will be the site of an event this weekend. To accommodate that event, traffic will not be allowed to cut through the park as is usually done on Auburn Avenue. Patrons should still use the same exit from the I-75/85 Connector, but will use Edgewood to access the theater instead of Auburn/Luckie.

From the **North Side** of Town = Take 75/85 South:

Take 75/85 South to the Courtland Street exit (Exit 249A), and follow to the *seventh light*, which is Edgewood Avenue. Turn right onto Edgewood Avenue. Cross over Peachtree, at which time the street you are on becomes Marietta St. Turn right at the second light after crossing Peachtree, onto Forsyth Street. Go to the second light and the Rialto will be on your left.

From the **South Side** of Town, and **East & West Sides (I-20)** – Take 75/85 North:

Take 75/85 North to the Edgewood/Auburn Avenue exit (Exit 248B). Turn left onto *Edgewood Avenue*. Go five blocks and cross over Peachtree, at which time the street you are on becomes Marietta St. Turn right at the second light after crossing Peachtree, onto Forsyth Street. Go to the second light and the Rialto will be on your left.
